

Transforming Community Transportation: Mobility for All!

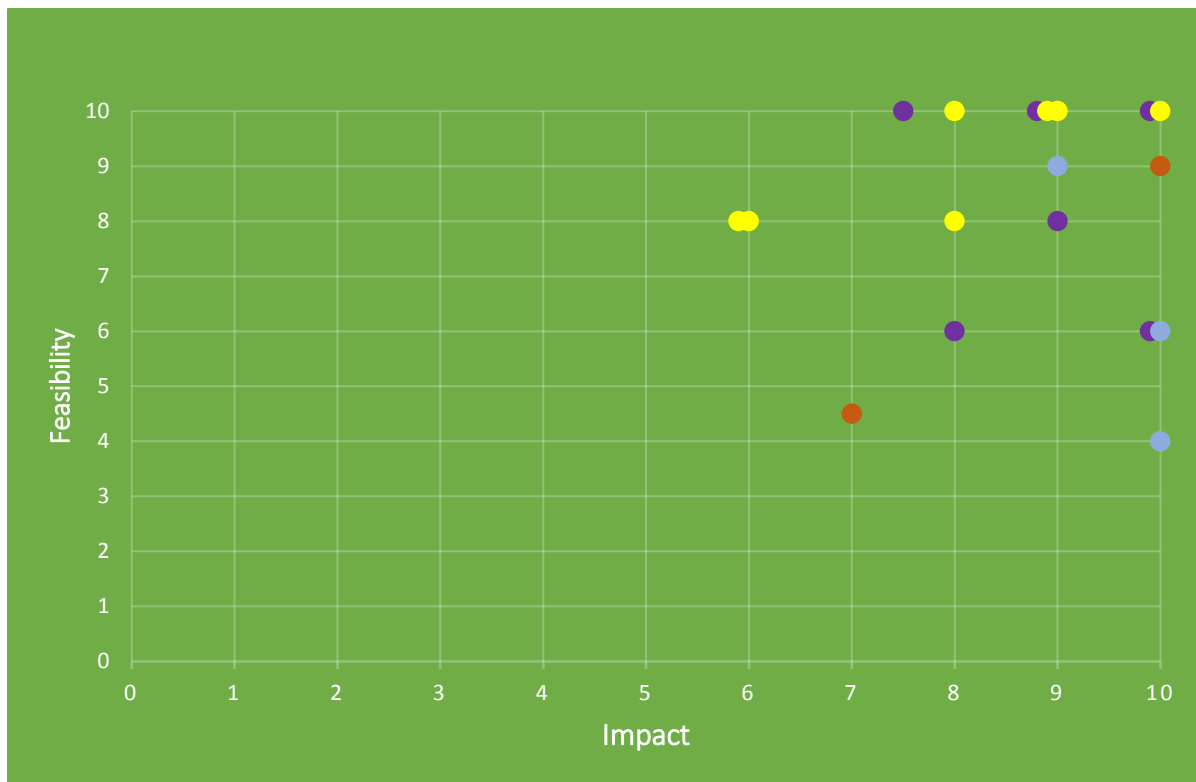

Action Plan

Greetings All Participants of the CTNS Conference **Transforming Community Transportation: Mobility for All!** As promised here is the Action Plan developed by you as a take away from the conference.

A big thanks to Gord Tate for his brilliance and leadership in guiding us through this very important process. He put together this nifty action plan chart below,

Love it!

	Action	Impact	Feasibility
Leadership	License Reform (Classes, Clarity, Awareness)	9.9	10
	Clearly defined leaders within government (who know roles, strengths, and bring consistency)	9.9	6
	UNSM as messengers (transportation as investment and determinant of health)	8	6
	Integration of services (efficient, connected)	9	8
	Develop leadership abilities (coordination, problem solving, courage)	8.8	10
	Develop leaders among leaders (effective messengers and champions)	7.5	10
Engagement	Use web tools and social media better, smarter, more comprehensively	8.9	10
	Build a community around transportation	9	10
	Explore weekly/seasonal transit/transportation "perks"	10	10
	Use videos to show how to use service and relieve some of the fear factor	8	10
	Multiple streams of participation (verbal, written, anonymous etc.)	8	8
	6 pillars of accessibility act - ECHO our common transportation thread	5.9	8
	Triage transit	6	8
Accountability	Creating a collaborative process inclusive of all	10	4
	Make data accessible for all to allow informed decision making	10	6
	Determining return on investment vs. current services	9	9
Development	Changes in environmental scan to track needs and opportunities	7	4.5
	Have central hub to have access to information (navigators)	10	9

So, from this amazing list of concrete actions we highlighted are some of the most impactful and feasible actions we all can engage in:

Leadership - Develop leadership abilities (coordination, problem solving, courage) - scoring Impact 8.8 Feasibility 10

How are people in your community or how are you developing leadership abilities? Share your stories, videos, photos with CTNS on Facebook, Twitter or email.
